

## CHARLIE'S ANGELS . . . AT YOUR SERVICE

Ever feel like there are just not enough hours in the day to get everything done? Well you're not alone and help is finally here in the way of Charlie's Angels, conveniently located in Letham Cottage on Jervois Road.

Charlotte Perry (Charlie), local resident of Ponsonby for 12 years, has created a lifestyle management business offering a variety of services to time-poor working people. Charlie's Angels lifestyle managers are being employed by everyday busy kiwis to help with home and office moves, shopping around for the best price on new appliances, assisting with child and pet care and anything else that just takes time.

"Although lifestyle management is relatively new in New Zealand it is a rapidly growing industry around the world due to the fact that people are becoming increasingly busy with work and family commitments. One in five people work at least 50 hours a week in New Zealand and time is becoming a very precious commodity" comments Charlie. "Why would you spend hours making numerous phone calls to the plumber, the gardener, the insurance broker and the travel agent when you can just make one call to us? Already we are saving you money, time and stress".

Charlie's Angels also offer small project management and personal assistant services in the office. So next time a pending conference or marketing campaign is taking you away from developing your business, impacting your sales or simply keeping you away from spending quality time your family and friends, buy yourself some time and call in the Angels.
